Cherry cola so intense your senses are begging for an encore.

Peach, melon, watermelon – not quite legal in dreams, but completely addictive.

Ripe cherry – like a soap bubble made of fantasy and fearless wildness.

LOLEMON

Lemon candy that doesn't just laugh at gravity – it screams: "Life is a meme and you're the viral queen!"

SLUSHY FLUSHY

Strawberry flush that teleports you to summer 2003 with a Walkman and glitter lip gloss.

Mint, watermelon, strawberry, bubblegum – like time stopped just so you could feel it more deeply.

MIDNIGHT MUSE

Acai and blueberry – smells like a guilty pleasure you never talk about.

COCONUT CLOUDSCAPE

Piña Colada – forgot you're not on a beach. Pineapple, coconut, and a tropical dream in one puff. Tastes like a 3AM drink when everything feels possible.

Lychee so cold it freezes your memories three seconds after the first puff.

SOUR TRIP

Kiwi and lemon – that vibe: evening breeze in your hair, and no plans for tomorrow.

PURPLE DRAMA

Sweet grape with an icy twist – same grape trip, but on ice. Hits like walking into a club with the AC set to Antarctica. Cold, sweet, naughty.

COCOLUSION

Cola – fizzy classic with a twist. A cola that knows you're not a kid anymore. Slightly retro, super refreshing, with the vibe of a friday night with no plans.

ETERNAL GRAPE

Sweet grape – like a childhood lollipop that grew up and started going to raves. Pure nostalgia with a rebellious streak.

LUNAR OASIS

Grape and aloe in a spa – chilling in an aloe pool and inviting you in. Refreshing and a little bit magical. Like a post-party detox, but still in techno mode.

PASSION MIRAGE

Passion fruit and cactus – an exotic fantasy that never existed. Tastes like a holiday no one remembers, but everyone wants to relive.

WAKE ME UP

Coffee – the kind of moment you should've filmed for your story, but it was too beautiful to reach for your phone.

APRIQUEEN

Apricot – but not the boring kind from jam. A fruity flirtation that starts sweet and ends with a twist. Like a random kiss at an afterparty – unplanned, but unforgettable.
